

YARDSALE

BUILD YOUR OWN SKI POLE WORKSHOP AND RAFFLE

yardsale.

Yardsale is a brand centered around fun, playful ski days and not necessarily being the most technical skier on the mountain. Come to Yardsale's Build your Own Ski Pole Workshop and Raffle to experience the clever design elements of our products, the lighthearted energy of our brand, and be entered into a raffle for a price pack of free Yardsale merchandise!

Come to Yardsale's stand for an hour-long program to experience the modularity of our poles by constructing your own poles from the various colors and pieces we have available. Each tester who builds a pair of poles and skis one lift lap with them will be entered into the raffle for a prize pack which includes a free pair of poles and other sweet Yardsale merchandise. For every additional lap you do with your customized Yardsale poles you will get an additional entry into the raffle for the prize pack.

Stay for Après! At Yardsale we believe the best parts of a ski weekend are spent with friends after a long day on the mountain so come by, grab a free beer, and enjoy the good vibes.
